

## A TRIP TO NEW YORK

Was/were/wasn't/weren't

My name is Camilla. Last summer I .....**was** in the United States. The voyage by plane .....**was** long and tiring and the plane ticket .....**was** quite expensive. It took me 10 hours to get to the New York airport.

My friend Katie .....**was** there waiting for me. I .....**was** surprised by the size of the JFK airport. It .....**was** huge and there .....**were** very many people. I was glad my friend .....**was** there, otherwise I would probably get lost.

A few minutes later we .....**was** in a cab. It .....**was** a typical NY cab – big and yellow. We were in the car for an hour. There .....**were** poor, run down neighbourhoods and rich, luxurious ones. The city centre .....**was** fantastic. There .....**were** huge skyscrapers, and big roundabouts. The largest and busiest roundabout .....**was** the famous Colubus Circle. There was also an enormous traffic jam.

We went to Katie's apartment to leave the luggage and rest a bit. It .....**was** small and cosy with a nice view of the park. I .....**wasn't** very tired so we went to see the biggest fountain in New York. It .....**was** the Bethesda Fountain in Central Park. There .....**were** (not) many people in the park, because it .....**was** early in the morning.

Later we had lunch and were at some nice museums. In the evening we .....**were** at the world famous Times Square. There .....**were** hundreds of people, huge neon lights, billboards and advertisements. And there .....**were** many cars because it was a holiday and the square was closed to traffic. I .....**was** amazed!!! We also .....**were** one of the Broadway theatres to see a musical. It .....**was** great!
